**FIGHT  
MND.**  
IT TAKES PEOPLE

Le Cornu Lewis Hancock is proud to have been a part of the Big Freeze 8 event in support of Fight MND.

Through the wonderful support and generosity of our entire team, their families, friends and several clients we were able to raise more than \$6,000.

We sincerely hope the record breaking \$19.8 million funds raised this year helps expediate the research and development to find a cure for MND.
